

8-803. Limitation of authority; duty to inform

A. On initial contact with a parent, guardian or custodian under investigation pursuant to this article, a child safety worker shall inform the family, both verbally and in writing, making reasonable efforts to receive written acknowledgement from the parent, guardian, or custodian, of receipt of all of the following information:

1. That the family is under investigation by the department.
2. The specific complaint or allegation made against that person.
3. That the worker has no legal authority to compel the family to cooperate with the investigation or to receive child safety services offered pursuant to the investigation.
4. The worker's authority to petition the juvenile court for a determination that a child is dependent.
5. The person's right to file a complaint with the ombudsman-citizens aide pursuant to section 41-1376. The worker shall provide the telephone number of the ombudsman-citizens aide.
6. The person's right to appeal determinations made by the department.
7. Information outlining parental rights under the laws of the state.

B. The child safety worker shall also inform the person about whom the report was made about that person's right to respond to the allegations either verbally or in writing, including any documentation, and to have this information considered in determining if the child is in need of child safety services. The worker shall tell the person that anything the person says or writes can be used in a court proceeding. If the person makes a verbal response, the worker shall include the response in the written report of the investigation. If the person makes a written response, including any documentation, the worker shall include this response and the documentation in the case file. Information provided in response to the allegations shall be considered during the investigation by the worker. The worker shall maintain the response and documentation in the case file and provide this information to the court before a hearing or trial relating to the dependency petition.

C. If the family declines to cooperate with the investigation or to accept or to participate in the offered services, or if the worker otherwise believes that the child should be adjudicated dependent, the worker may file with the juvenile court a petition requesting that the child in need of child safety services be adjudicated dependent.

D. Refusal to cooperate in the investigation or to participate in the offered services does not constitute grounds for temporary custody of a child except if there is a clear necessity for temporary custody as provided in section 8-821.

8-807. DCS information; public record; use; confidentiality; violation; classification; definition

A. DCS information shall be maintained by the department as required by federal law as a condition of the allocation of federal monies to this state. All exceptions for the public release of DCS information shall be construed as openly as possible under federal law.

3. Access to DCS information to the parent, guardian or custodian of a child if the DCS information is reasonably necessary to promote the safety, permanency and well-being of the child.

4. DCS information if an employee of the department has a reasonable belief that exigent circumstances exist. For the purposes of this paragraph, "exigent circumstances" means a condition or situation in which the death of or serious injury to a child will likely result in the near future without immediate intervention.

G. The department shall disclose DCS information to a county medical examiner or an alternate medical examiner directing an investigation into the circumstances surrounding a death pursuant to section 11-593.

H. Access to DCS information in the central registry shall be provided as prescribed in section 8-804.

A legislator may discuss this information with another legislator if the other legislator has signed the form prescribed in subdivision (d) of this paragraph in regard to the specific file that will be discussed. The court shall review the requested records in camera and order disclosure consistent with subsections A and L of this section and section 8-807.01. K. The department or a person who is not specifically authorized by this section to obtain DCS information may petition a judge of the superior court to order the department to release DCS information. The plaintiff shall provide notice to the county attorney and to the attorney and guardian ad litem for the child, who have standing and may participate in the action. The court shall review the requested records in camera and shall balance the rights of the parties who are entitled to confidentiality pursuant to this section against the rights of the parties who are seeking the release of the DCS information. The court may release otherwise confidential DCS information only if the rights of the parties seeking the DCS information and any benefits from releasing the DCS information outweigh the rights of the parties who are entitled to confidentiality and any harm that may result from releasing the DCS information. The court shall take reasonable steps to prevent any clearly unwarranted invasions of privacy and protect the privacy and dignity of victims of crime pursuant to article II, section 2.1, subsection C, Constitution of Arizona.

The department is not required by this section to disclose DCS information if the department demonstrates that disclosure would cause a specific, material harm to a department investigation. The department is not required by this section to disclose DCS information if, in consultation with the county attorney, the county attorney demonstrates that disclosure would cause a specific, material harm to a criminal investigation or prosecution.

M. A person who is the subject of an unfounded report or complaint made pursuant to this article or article 9, 10, 11, 12, 13 or 14 of this chapter and who believes that the report or complaint was made in bad faith or with malicious intent may petition a judge of the superior court to order the department to release the DCS information. The petition shall specifically set forth reasons supporting the person's belief that the report or complaint was made in bad faith or with malicious intent. The court shall review the DCS information in camera and the person filing the petition shall be allowed to present evidence in support of the petition. If the court determines that there is a reasonable question of fact as to whether the report or complaint was made in bad faith or with malicious intent and that disclosure of the identity of the person making the report or complaint would not be likely to endanger the life or safety of the person making the report or complaint, it shall provide a copy of the DCS information to the person filing the petition and the original DCS information is subject to discovery in a subsequent civil action regarding the making of the report or complaint.

N. The department shall provide the person who conducts a forensic medical evaluation with any records the person requests, including social history and family history regarding the child, the child's siblings and the child's parents or guardians.
